Dear Mr. Weisberg,

I got a good income tax refund and really wanted to pay my balance - so here it is! Thank you so much for letting me keep a tab!

Good news, I got the job at La Salle!
My dissertation is almost done. I am going out of town briefly tomorrow, and have to run.
I am planning on calling you next week since I have a question about Rankin. I'll write more later.

Sincerely,

Bruce McKinney
